**SEE YOU IN****Houston****Why?**

The Libya Oil and Gas Summit comes to the fore as a timely event. With tens of billions potentially for grabs, Libya is now the world's prospects to lead in the oil and gas industry, capitalizing on the needed technologies to increase oil and gas productivity to pre-2011 levels and more. The event will be a gateway to discover the plans of the new Libya for its oil and gas reserves and its possibilities after a long decade of hostilities.

**LoGS Networking Lounge**

The Libya Oil and Gas Networking Lounge welcomes over 500 delegates from nearly 40 countries. We hope that you will consider the lounge your home for the duration of the summit.
